

Good Shepherd Fence Company, LLC. was Voted a Neighborhood Fave in Nextdoor's 2023 Local Business Awards

Indianapolis, IN | July 20, 2023 — Good Shepherd Fence Company, LLC. has been named to the winning list of Nextdoor's 2023 Neighborhood Faves, the only annual awards where neighbors vote to celebrate their favorite local businesses. This year, Neighborhood Fave winners like Good Shepherd Fence Company, LLC. will receive greater visibility and ranking on the Nextdoor app as well as a sticker to showcase their win in the real world.

"Neighbors know best, and Nextdoor's Neighborhood Faves are the only annual awards celebrating the businesses that are most loved by locals. This prestigious recognition is only awarded to 1% of the local businesses on Nextdoor and is a testament to the positive impact they have had on their community," said Nextdoor CEO Sarah Friar.

Used by one in three households in the US, Nextdoor is the neighborhood network where verified neighbors and businesses connect to the neighborhoods that matter to them.

"Team GSFC is proud to be a Nextdoor Neighborhood FAVE another year for 2023! We are proud of this accomplishment and we could not do this without the support from all of our amazing customers, vendors, and industry partners! Team GSFC is a customer service company, who knows how to build fence well – and we focus heavily on our community and neighborhood involvement. We look forward to working with our future clients and current ones on projects upcoming in 2023!" said Shane Catton, Co-Owner and Managing Partner of Good Shepherd Fence Company, LLC.

The complete list of winning businesses in each city is available at nextdoor.com/favorites. Join the neighborhood network by downloading the Nextdoor app or visiting www.nextdoor.com.
